Decorate the Cupcakes

The fairies love to decorate with leaves and shiny things to make their cupcakes stand out. In the wall of the Idea Emporium is a teeny, tiny bakery just for mice. Happy regular customer Maurice is a big fan of the cupcakes. Designers, can you design a tiny cupcake for Maurice? Add some stars, leaves, or fruit to this cupcake below. Be sure to color it in. What colors look good together?

Join the fun! Color in and take a pic with your phone to have it on the website! Then send it to designingfairy@yahoo.com with your age and name!
